Hello everyone! My name is Joie Meyer new here at Arlington Place. Just recently started here in late September. I'm glad to be part of this team as the new kitchen coordinator. It has been a joy learning how this place runs and learning about all the residents and the staff. I have been in management all my life and have had a lot of experience with kitchen and waitressing. So far, I'm loving my job here at Arlington Place. I would love to hear any new ideas from the residents and or staff that you may have. I hope everyone will be pleased with the many changes to come.

A few things about me, I live here in Oelwein and have most of my life. Except for Hazelton and Strawberry Point. I have 3 children whom all live at home still, ages 19, 17, and 13. So when I'm not here at work I stay plenty busy at home with my children whom

November is here, Thanksgiving is my Favorite Holiday. Family food , and cool weather.

We will be having a Family Potluck for Thanksgiving (make sure you tell all your Family).

We will be having an activity talk monthly so you can let me know all your ideas. Make sure you attend so I can get them on the calendar. Have a great November.

Health Care Coordinator

Angie McCann

Hello everyone,

Just a simple reminder to please let us know ahead of time as soon as possible of any appointments or cancellations, so that we can get it recorded in the schedule book and send an appointment folder along with you. The process goes much smoother if we have at least 24 hours' notice of an appointment so we can have appropriate staffing to assist in all the transports. We do prefer you take a folder along with you to your Dr. visits so they can communicate any new orders or treatment suggestions to the nurse, and write down any scheduled follow up appointments. We also usually send your medication list (if we have it) in the folder so the Dr. can verify their med list with what we have. We do not have designated transportation drivers here, all our staff assist in transportation needs, and when we have extra notice we are able to have somebody extra scheduled to as-

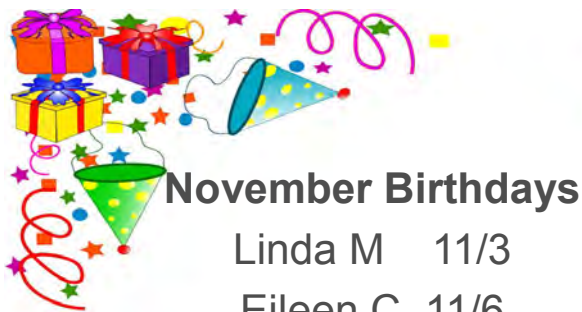

"How silently they tumble down
And come to rest upon the ground
To lay a carpet, rich and rare,
Beneath the trees without a care,
Content to sleep, their work well done,
Colors gleaming in the sun.

At other times, they wildly fly
Until they nearly reach the sky.
Twisting, turning through the air
Till all the trees stand stark and bare.
Exhausted, drop to earth below
To wait, like children, for the snow."
