*“Embracing
Every Moment”*

From Our Manager
TJ Stammeyer

Hello All,

What a great winter we have had, we have enjoyed a few different activities and welcomed in a few new residents to our community! Spring is just around the corner so let's hope this snow melts fast and we can get on to nicer weather. Let's keep this amazing year going, remember if you need anything stop on by !

February trivia Answer.

2 years of Formal Schooling

St. Patrick's Day is March 17th. What does this day commemorate?

From the Culinary
Joie Meyer

Greetings! February was a great month for celebration. We had great attendance for our *Black Tie Affair* and Valentine's Day party with the fun chocolate fountain. I look forward to celebrating the Irish heritage with some corned beef & cabbage and perhaps a green beer, or 2. We are looking forward to a healthy and warm

Life Enrichment Coordinator *Shari Vargason*

Hello, March is Here. Soon it will be spring and warmer weather. So happy for that.

We will be able to get out more and enjoy the outdoors. We will start thinking about gardens and green thumbs to brighten our community after this dreary winter.

This month we will be having a St. Patrick's Day lunch. I love corned beef. We will also be doing a St. Patrick's Day craft.

If there is any thing you would like to see on our calendar of events, I will be hosting an Activity Talk on March 8th.

Health Care Coordinator

Angie McCann

We are finally working our way through winter, what a long one it's been! From a nursing perspective, I would like to remind you all of the importance of frequent handwashing to prevent the spread of germs, especially before meals. Another reminder for those that are actively coughing or running a fever, please refrain from sitting with others in the dining room until symptoms decrease or after you've been on antibiotic for 24-48 hours. Remember to be drinking enough fluids each day. Drinking fluids between mealtimes will help to keep you adequately hydrated.

As always, I am here for questions or concerns that residents or family members may have. Please speak with Resident Assistants or myself if you develop an illness or if you need

We have moved offices. Angie will now be located in the Nurses' Station to better assist families and residents. Shari will now occupy the office across from the Library. We are excited for this move and hope it will be a smooth transition for

Our Month of March

The month of March will soon make her debut; this winter month, our third is now in line.

And she can be a fickle one, it's true;

brings climate that is wild or quite benign.

'In like a lamb, out like a lion' force,

she teases us with spring then turns around;

and there again, another snow, of course.

So March has her surprises to astound.

But towards her end, we think about our spring,
Sandra M. Haight

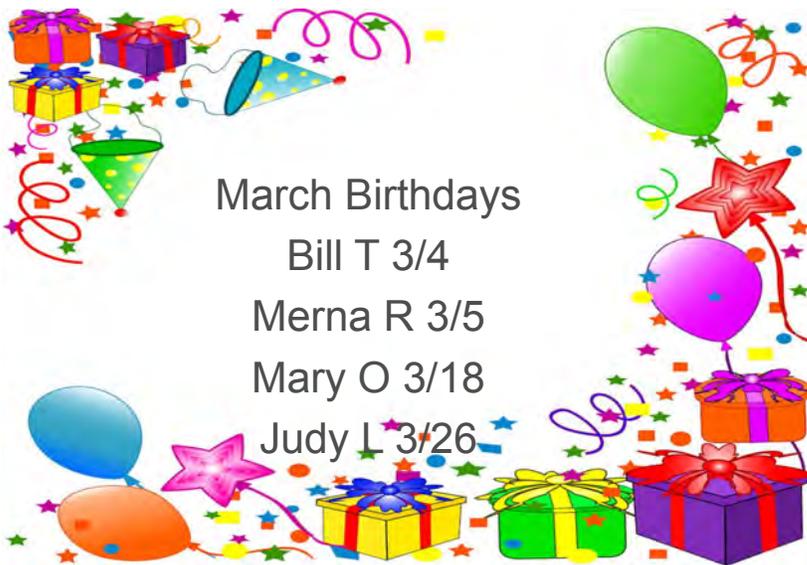

as March does seem to seal winter's
